Which year(s) did you serve on the SMT/3TEN staff? _____

Constant and faithful. These are two terms that best describe John MacQueen. John would work extra hours late in the day to make up for time that had been used to help a friend or lend a listening ear. His words of advice were always kind and insightful, and only offered after careful listening. John did not seek public recognition, but he was noticeable at the end of the day by his leadership with hands-on involvement. He was a true servant leader.

Please write an essay (maximum 1000 words) about why you should be considered for the John MacQueen Memorial Scholarship.
