

**2021-2022 WOL Canada COVID Protocols.
Private Designated Learning Institution
Revised September 1, 2021**

All vaccinated staff or student **MUST** give Barry Speck a hard copy of their proof of vaccination papers by September 7th, 2021.

Staff who desire not to be vaccinated due to medical reasons must provide written proof provided by a physician or registered nurse documenting the medical reason.

All unvaccinated staff, interns, students, and volunteers MUST attend an educational session covering the benefits of vaccinations. After the class everyone will have to sign a document of verification. The only unvaccinated persons who are exempt from this class are the ones that have provided documentation for medical reasons.

All unvaccinated staff, interns, students, and volunteers are required to submit to regular antigen point of care testing for COVID-19. Following Provincial health guidelines means that once every seven days unvaccinated staff and students will have to take a COVID test. Staff with one vaccination shot will have to take these weekly tests until verification of their second shot.

All unvaccinated staff, interns, and students will be given an antigen point of care test for COVID-19 upon their return to campus after scheduled breaks. Staff or students should stay home if they are not feeling well.

Visitors (delivery persons, etc.) will have to:

1. Wear a mask during their time on the property

Visitors (parents, trades people, construction workers) to enter our buildings must provide either:

1. Proof of being fully vaccinated for at least 14 days, or
2. Take a regular antigen point of care test for COVID-19 upon their arrival on our property
3. Additionally, a COVID-19 health screening form must also be filled out on JotForm: (<https://form.jotform.com/210956019697264>).
