Established in 1984, this fund was originally created in honor of Jack Wyrzten's first wife, Marge. Jack and Marge met as teenagers, but both were unconverted. Each came to Christ separately, first Jack and then Marge...they were married in 1936. In these years that followed, both were actively involved in evangelism and in 1940, God directed them to establish the ministry of Word Of Life. Little did they realize what God would do in the years that followed. God blessed and multiplied the ministry into an outreach that literally spans the world.

In January, 1984, God called Marge Home. One of the last things she did before her Homegoing was to write a check to help a needy student attend the Word of Life Bible Institute in Argentina. In April, 1996, Jack was reunited with Marge in Glory and since that time, the fun has grown as the Wyrzten Memorial Needy Student Scholarship fund.

Since its inception, hundreds of young people studying at Word of Life Bible Institute in America and around the World have received financial assistance. If you are a recipient from this fund, you are joining others who have benefitted financially and are serving the Lord around the world. You are a part of a spiritual heritage, from those who have gone before you and from the lives of Jack and Marge Wyrzten.
